BISSELL SWEEPERS

A Bissell Sweeper with "Bisco-matic" brush action is the only sweeper that will sweep any rug, thick or thin, perfectly — even way back under beds — with absolutely no pressure on the handle.

"Bisco-matic" Brush Action — independently-acting, spring-controlled brush does not depend on handle pressure — makes all sweeping simpler, easier, more thorough.

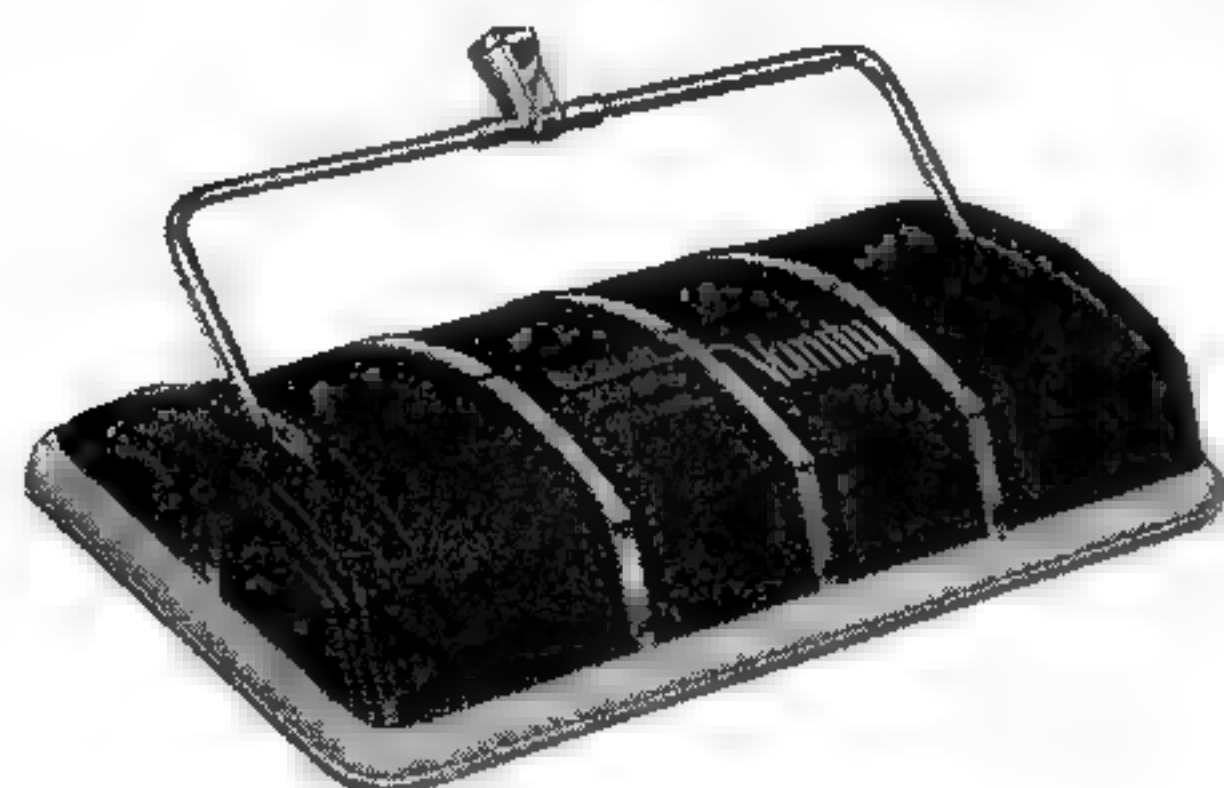

New "Flip-O-Empty" — easier way to empty dust pans. A slight pressure of the thumb opens the pans. They stay open until sweeper is completely emptied.

"Sta-Up" Handle Device — holds handle upright when not in use.

Ball bearings — for easy running.

Trouble-free Brush Cleaner with no moving parts — keeps revolving brush clean.

The Larkin Plan . . .

*a simple plan whereby you help
your friends to better, happier
homes and are liberally rewarded*

It's Easy! It's Fun! — and IT PAYS!

SIMPLEST thing you ever did! Merely invite your relatives, friends, and neighbors to join with you in buying their needs from the Larkin Catalog . . . they will enjoy this time-saving, armchair shopping right in their own homes. Many of them know the wondrous values Larkin offers . . . a quick glance through the Catalog will convince the newcomers.

As a Larkin Secretary You'll Earn Generous Rewards

You make up the orders, collect the money, etc. — pleasurable work, every minute of it — and for this you are liberally rewarded. Why not make your spare time pay? Ask your next-door neighbor right now — she'd like to save both time and money, wouldn't she?

4 Simple Ways to Choose From!

None of Them Complicated!

None Difficult!

LARKIN NEIGHBORHOOD ORDER — For those wishing to order whatever and whenever they wish. The easiest way to "get acquainted" with Larkin goods and the Larkin way of buying.

LARKIN NEIGHBORHOOD ORDER SERIES — Regular Neighborhood Orders whereby your friends order whatever and whenever they wish but . . . you agree to send a total of \$50 in Cash Orders within 15 consecutive weeks.

LARKIN CLUB OF TEN — Let this be your choice if you have ten friends desiring to pay \$1.00 regularly for ten months.

LARKIN COZY HOME CLUB — If you have ten friends who wish to pay only 50c regularly for ten weeks, this is the Club for you.

Your Rewards are What You Make Them! You Can Earn Up to 22½%!

You can earn as high as 22½% in Cash and Merchandise Certificates — as Rewards for taking Neighborhood Orders or conducting a Club of Ten or Cozy Home Club. Rewards well worth working for, aren't they?

Be Sure to See Following Pages for Complete Details and Rewards You Can Earn

Larkin Neighborhood Orders—*How to Take Them!*

The easiest, quickest way to start taking Larkin orders. Gives you an opportunity to learn the Club Secretary's duties and earn Rewards . . . enables your friends to test the exceptionally high quality of Larkin goods.

Invite your Friends and Relatives

Invite your neighbors, too, to order their Larkin needs through you. Show them your Catalog, particularly the Larkin Products . . . perfumes, face creams, shampoos, shaving needs, prepared pudding, etc. . . . for which Larkin is famous. One trial will make them steady customers. They may order any item in the Catalog . . . you may send orders as often as you wish.

Larger Orders --- Larger Rewards

To earn a Reward, a Neighborhood Order must amount to at least \$5.00 cash but remember that your Rewards grow as your order grows — make it as big as you can (see page 4 for complete details about Rewards). Remember, too, as you take orders, to collect the full amount to cover the items, the postage, and Federal Tax if any items are taxable.

Larkin Neighborhood Order Series

A Total of \$50 in Cash Orders within 15 Weeks

The only difference between this Neighborhood Order Series and regular Neighborhood Orders is that you send a \$50 Enrollment, agreeing to send a total of \$50 in Cash Orders within 15 consecutive weeks — and thus earn Extra Rewards (see page 4).

Sending big Neighborhood Orders regularly becomes easy — once your friends realize the high quality of Larkin goods and know they may order any item in the Larkin Catalog.

Acquaint your friends with the extraordinary quality of Larkin Products — perfumes, sachet, face creams, shampoos, puddings, etc., made in the Larkin plant — everyday needs comparable anywhere for both quality and price.

Larkin Club of Ten

A Total of 10 Orders of \$10 Each within 12 Months

Usually a social club with meetings held once a month at different members' homes. Generally there are ten members — you may be one of them if you like.

How to Conduct your Club of Ten

Each member usually pays \$1.00 a month for ten consecutive months, for which each is entitled to select \$10.00 worth of Larkin goods from the Catalog. If preferred, you may make it a weekly club, each member paying \$1.00 a week for ten weeks.

A member wants more than one share? . . . All right — you simply have fewer members.

Each month one member, in turn . . . selects \$10.00 worth of Larkin goods from the Catalog for the \$10.00 she pays into the Club.

Turns are decided by mutual agreement . . . at beginning of Club.

Member wishes to postpone selection? . . . She takes \$10.00 in Merchandise Certificates to be exchanged later for Larkin goods of equal value (see page 3).

Member wishes more than \$10.00 value? . . . She may take additional shares in the Club or pay the difference in cash to the Secretary.

Member wishes less than \$10.00 value at time of selection? Merchandise Certificates are given for the difference.

As Secretary of the Club . . . you collect the money from the members and send it to us each month with the order.

With your first order . . . fill in and sign a Club of Ten Enrollment.

With the order that completes your series . . . send the Last Order Coupon and request your Extra Certificate Reward. Remember you have twelve months in which to complete a Club of Ten.

See Page 4 for Full Details about Neighborhood Order and Club Enrollments and Rewards.

Larkin Cozy Home Club

A Total of 10 Orders of \$5 each within 15 Weeks

Ideal for those who wish to pay as little as 50c weekly and want their club series completed quickly. You'll be surprised how quickly you'll organize one — how your second will practically organize itself! Women everywhere are actually grateful for the opportunity to join. The rules for conducting such a club are really simple — the Rewards most liberal.

Your Club Members

Who may join? Any ten friends and neighbors . . . you may be one of the members if you wish.

How much does each pay? 50c a week for ten consecutive weeks or a total of \$5.00.

Who's First? Who's Last? Turns are decided by mutual agreement at beginning of Club. Each week one member, in turn, selects \$5.00 in merchandise from the Larkin Catalog as her share.

Member wants merchandise of greater value than her share? Either she pays the additional amount of cash — or she takes more than one share in Club.

Member wants merchandise of less value than her share? She receives the difference in Larkin Merchandise Certificates (see below) redeemable for later purchases.

Can selection be postponed? Yes. Member takes Merchandise Certificates to use for later purchases.

You---the Secretary

With your first order . . . fill in and sign a Cozy Home Club Enrollment.

With the order that completes your series . . . send the Last Order Coupon and request your Extra Certificate Reward. Remember you have 15 weeks in which to complete a Cozy Home Club.

Larkin Merchandise Certificates—*Issued in Denominations of 5c, 25c, \$1.00 and \$5.00*

Certificates are exchangeable for Larkin merchandise equivalent in value to the face value of the Certificates. When, for some reason, a club member wishes to defer the selection of merchandise for her club share, she may order Certificates instead, and accumulate them until she has enough to purchase something she wants later from the Catalog.

Prices in Larkin Catalog . . . All items shown in the Larkin Catalog are listed at cash prices. You will find these cash prices competitive with those of the finest stores on standard, high quality merchandise.

How to Remit Money . . . The remittance for your order should be sent by money order or check. Cash should be sent only if registered. In this way, you insure the safe arrival of your money.

Federal Excise Tax . . . All taxable articles in our Catalog are listed at the regular price with amount of Federal Tax shown separately. Collect the tax from your customers in addition to the price of the article, and send it to us with the order.

It is not necessary for you as our Secretary, to report to the Government the amounts you collect for Federal Tax. We report it and pay it to the Federal Government.

Transportation Charges . . . To give everyone the best possible values, we do not include transportation charges in our prices. Each customer should pay the charges on the items she orders.

Parcel Post — money to cover the Parcel Post charges should accompany each order. As you take orders from your customers, collect sufficient money to cover the cost of the items ordered and the parcel post charges on those items (see page 4).

Freight and Express Shipments — generally shipped "collect" but the charges should be divided among the customers, each paying her share at the time she receives her merchandise. If an entire shipment is sent direct to one person's home, she should pay the transportation on that shipment.

Rewards You Can Earn

Rewards are paid in Cash and Larkin Merchandise Certificates . . . no rewards are paid for money sent to cover Transportation or Federal Tax.

THE REGULAR REWARD — earned on all Cash Orders of \$5.00 or more.

We Ship the Cheapest and Best Way --- unless preference is given

PARCEL POST . . . quick and economical, bringing goods directly to your door. Mailing weights for each mailable item are given in the Catalog and also on the Order Blank. Your postmaster will tell you in what postal zone from Buffalo your town is located.

To determine how much postage to send, figure the total weight of your order, (16 oz. to a lb.), then see the chart on the back page of the Order Blank.

PARCEL POST C. O. D. . . . When your goods are shipped parcel post COD, there is a fee for Collect on Delivery. Therefore you will save money by sending the full amount needed to pay for your merchandise and postage — in advance — with your order.

FREIGHT . . . If the words "shipping weight" appear in the Catalog description of any merchandise, that item cannot be mailed . . . it must be sent by freight or express. Freight is the cheapest way to send large shipments. A minimum freight rate is charged for goods that weigh up to 100 lbs. Over 100 lbs. you pay the exact charges. For instance, if the rate per 100 lbs. is \$1.00 and the goods weigh only 30 lbs., you pay \$1.00. If the goods weigh 110 lbs. you pay \$1.10.

Freight is shipped "Charges Collect." Be sure to give nearest freight station, in charge of a freight agent.

EXPRESS . . . A quicker method of shipment than Freight, but the cost is a little higher. Do not send money for Express — all Express shipments are sent "Charges Collect."
